

Guidelines for publication in the IOBC NTRS Bulletin

We invite you to disseminate your works, research lines, courses, scientific meetings or other material that you consider important to make known about the development of Biological Control in your country, in the IOBC Newsletter NTRS (<http://www.iobcntrs.org/>). No notes or unpublished works are accepted.

To prepare the text, note the following:

- Send a document in Word, with a text that describes your interested in divulging.
- Maximum: 2 pages, Size A4, spacing: 1.5
- Font: Arial or Times New Roman, 12 pt.
- The document should contain: Title, authors, authors' affiliation, e-mail address of one of the authors and the text.
- Language: Spanish (Castellano), Portuguese or English. The Bulletin is published in Castilian but attempts are being made to publish in English.
- Illustrate text with some image, picture, figure or table.

Send the document to: María Gabriela Luna (lunam@cepave.edu.ar) and Natalia Medeiros Souza (natalia_m_souza@hotmail.com).

We await your contribution. ***Muchas gracias!*** Thank you!
